Welcome to the Crossroads Arts District,

Kansas City's eclectic neighborhood of art galleries, studios, boutique shops, one-of-a-kind restaurants, as well as music, taprooms and nightlife.

The First Friday of every month, thousands of people flock to the Crossroads, as galleries, shops and dining establishments stay open late — and street performers, musicians and pop-up artists can be found on every corner. For a complete listing of monthly exhibits and performances, check our online guide at kccrossroads.org/events.

Use this map every day of the week to discover all the neighborhood has to offer. For more information on the Crossroads, visit kccrossroads.org.

Interested in becoming a member of the Crossroads Community Association? Enjoy special offerings and discounts from participating merchants, restaurants and galleries when you use your member card. Learn more at kccrossroads.org/become-a-member.
